SECTION 63.71 APPLICATION

Pursuant to Sections 63.71 of the Commission's Rules¹ and Section 214(a) of the Communications Act of 1934, as amended,² Riviera Telephone Company, Inc. ("Riviera" or the "Company") hereby files this application to discontinue the provision of select operator services to customers that the Company serves in the State of Texas ("Application").³ In support of this Application, Riviera submits the following:

I. Information Required by Section 63.71(a)(1) -(4)

A. Name and Address of Carrier

Riviera Telephone Company, Inc.
103 South 8th Street
Riviera, TX 78379

For purposes of this Application, the Commission may contact:

Bill Colston, Jr.
General Manager
Riviera Telephone Company, Inc.
103 South 8th Street
Riviera, TX 78379
(361) 296-3232

¹ See 47 C.F.R. § 63.71.

² See 47 U.S.C. § 214(a).

³ As required by Section 63.71(a) of the Commission's Rules, Riviera has notified and submitted a copy of this Application concurrent with this filing to the Public Utility Commission of Texas, the Governor of Texas, and the Secretary of the Department of Defense.

B. Date of Planned Service Discontinuance

Riviera will discontinue operator-assisted Collect, Bill to Third Number, Line Status Verification, Busy Line Interrupt and Person-to-Person services to its customers in the State of Texas on or after March 1, 2016, upon completion of all necessary federal and state regulatory approvals.

C. Points of Geographic Areas of Service Affected

Affected Riviera local exchange customers are in the Company's service area in the exchanges of Riviera, Loyola Beach, Sarita and Armstrong in Kleberg, Kenedy and Brooks Counties.

D. Brief Description of the Types of Service Affected

In the areas referenced above, Riviera provides the following services which will be discontinued (collectively, "Affected Services"):

- Collect - A billing arrangement by which the charge for a call may be reversed provided the charge is accepted at the called service point.
- Bill to Third Number - A billing arrangement by which an operator-assisted call may be charged to an authorized service point other than the service point originating the call or the service point where the call is terminated.
- Line Status Verification – An operator service allowing the operator to confirm when a line is idle or in use.
- Busy Line Interrupt – An operator service allowing the operator to break into a conversation when a line is in use.
- Person-to-Person - A service where the person originating the call specifies to the Company operator a particular person to be reached, a particular mobile service point to be reached through a Mobile Telephone Service attendant, or a particular station, department or office to be reached through a PBX attendant.

This discontinuance is limited to the Affected Services. Customers will continue to have access to all other current services without interruption.

II. Brief Description of the Dates and Methods of Notice to All Affected Customers

Notices were sent to all Riviera local exchange customers as a bill insert by method of U.S. Mail on December 1, 2015. Please reference Exhibit A which is a sample copy of the Notice sent to the affected customers. Riviera deemed the bill insert the most economic method of reaching its rural customers and printed the insert on distinctly

colored paper to distinguish it from the billing statement and bring sufficient attention to the Notice.

III. Status of Carrier

Riviera is an incumbent local exchange carrier and considered a dominant carrier with respect to the services that it proposes to discontinue in the State of Texas.

IV. Circumstances of Discontinuance

The Company's discontinuance of the Affected Services was a business decision based on a lack of customer demand for the service. In the preceding 36 months, the Company has had no instances of a customer utilizing the Affected Services. Therefore, the discontinuance of these services will not adversely affect the Company's customers.

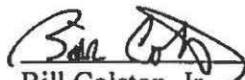

V. Certification

On behalf of Riviera, I, the undersigned General Manager, Bill Colston, Jr., hereby certify that the statements contained herein are true, complete and correct to the best of my knowledge and made in good faith.

VI. Conclusion

For the reasons stated herein, the Company respectfully requests grant of this Application.

Respectfully Submitted,

Bill Colston, Jr.

- Collect Call - A billing arrangement by which the charge for a call may be reversed provided the charge is accepted at the called service point.
- Bill to Third Number - A billing arrangement by which an operator-assisted call may be charged to an authorized service point other than the service point originating the call or the service point where the call is terminated.
- Line Status Verification - An operator service allowing the operator to confirm when a line is idle or in use.

This discontinuance is limited to the above operator services and will not affect your Riviera service in any other way. Customers will continue to access general operator services, including operator assisted dialing, handling sent-paid calls, handling emergency calls and providing rate quotes where available.

If you wish to object, you should file your comments as soon as possible, but no later than 30 days after the Commission releases public notice of the proposed discontinuance. You may file your comments electronically through the FCC's Electronic Comment Filing System using the docket number established in the Commission's public notice for this proceeding, or you may address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the §63.71 Application of Riviera Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service.
